

In August 2024, Vyair Medical sold its respiratory business to ZOLL and its respiratory diagnostics business to Trudell after filing for bankruptcy in June 2024.

**October 2016**

BD and Apax Partners announced joint venture to launch Vyair Medical.

**March 2018**

Apax acquired remaining stake in Vyair from BD.

**April 2018**

Vyair acquired Acutronic Group (Acutronic Medical and MIM) and reached agreement to acquire imtmedical.
